

BEFORE  
THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 98-310-C - ORDER NO. 2002-689  
SEPTEMBER 25, 2002

IN RE: Application of Logix Communications Corporation f/k/a Dobson Wireless, Inc. for a Certificate of Public Convenience and Necessity to Provide Intrastate Resold Telecommunications Services within the State of South Carolina.	) ORDER CANCELLING ) CERTIFICATE AND ) WITHDRAWING ) TARIFF ) )
---	--

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of Logix Communications Corporation ("Logix" or the "Company") to cancel its Certificate of Public Convenience and Necessity to provide intrastate resold telecommunications in the State of South Carolina and to cancel the Company's associated tariffs.

By letter dated September 12, 2002, Logix, through its counsel, advised the Commission that the Company was requesting cancellation of its Certificate allowing Logix to cease operations as a reseller of telecommunications services within the State of South Carolina and to withdraw the Company's applicable tariffs. Logix's authority to provide resold intrastate interexchange telecommunications services was granted by Order No. 98-1022 issued December 22, 1998.

By its request, Logix states that the Company is currently providing long distance service to one (1) customer in South Carolina. In order to ensure continued service, according to Logix, the Company has entered into an agreement with Alternatel to

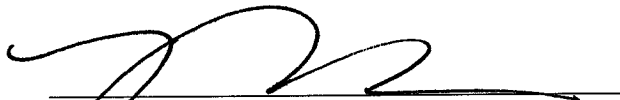

provide long distance services to this customer, but also has informed them of their ability to choose an alternate carrier. Logix states further that the Company has given the required thirty (30) day notice of its discontinuance of service to its customer and a copy of the notice is attached to Logix's request for cancellation.

As Logix will no longer be providing the services for which its Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that Logix's Certificate of Public Convenience and Necessity to provide intrastate interexchange telecommunications services within the State of South Carolina should be cancelled and that the Company's applicable tariffs be withdrawn.

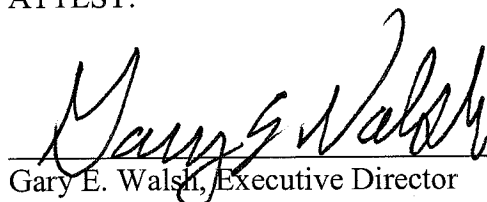

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide intrastate interexchange telecommunications services authorized by Order No. 98-1022, dated December 22, 1998, issued in the instant docket to Logix Communications Corporation is hereby cancelled, and the tariffs filed by the Company are withdrawn.

2. This Order shall remain in full force and effect until further Order of the Commission.

  
Mignon L. Clyburn, Chairman

ATTEST:

  
Gary E. Walsh, Executive Director
